Testimonials

“What an incredible workshop! You taught me to trust my instincts, to go for creativity and play. To choose to lead with love vs. fear and to always keep my fascination high and frustration low”
Randee Fox

“I was absolutely captivated by Robin’s passion and way of being that so beautifully guided me through the change within myself that I needed to find in order to be fully present with my horse. The impact on me and my relationship with my horse is beyond expectation.
Michal Fleury
